

THEY COULD HAVE BEEN BIGGER THAN EMI

A DISCOGRAPHY OF NOW DEFUNCT INDEPENDENT RECORD LABELS THAT RELEASED VINYL

This is a working sheet to the above book project.
The 3rd edition is in work and will be probably out in fall 2012.

This pdf is for

LABELS FROM FRANCE

and contains a general view what information I´m looking for.
Each working sheet has 3 chapters.

1. the search for the town where the label comes from
2. the search for a label logo
3. a list of labels with gaps (red marked)

Please notice:

Sometimes a logo exists, but up to now no idea about the hometown, vice versa.
So please have a look at both chapters.

For logos: I need rough scans 300 dpi, minimum size 2 inches.

I´ll prepare everything for print, so don´t worry about the quality.

Scans don´t have to be perfect. I´m happy with every gap filled.

You´ll find lists with all named labels of my book at

<http://www.get-happy-records.com/Labels-Disco/LinkSeite.htm>

All information about missing defunct labels is welcome.

Also I´m looking for people interested in scanning some sleeves for the picture pages. But please write before starting.

Any question?

Feel free to write to: [vinyljunkie\(at\)buissnet.com](mailto:vinyljunkie(at)buissnet.com)
